Home School Agreement

School aims and values: Belmont Primary School aims to provide a balanced, creative education in a stimulating, safe environment through which children maximise their talents and abilities, develop a pride in their achievement and feel happy, confident and secure.

We believe in educating the whole child and preparing him or her to take an active role as a local, national and global citizen. To achieve this, our school values: Be Safe, Be Respectful and Be a Learner are explored and embedded in all aspects of school life.

This agreement seeks to bring together the school, parents and pupils in partnership to further the aims and values of Belmont Primary School. It has been agreed by a representative group of staff, parents and governors and the children's School Council. Together, through this agreement, we will encourage an atmosphere of mutual respect, provide equal opportunities for all and promote learning whenever the opportunity arises.
